

## **Congratulations on Obtaining a Degree**

My Dear Mahesh,

Please accept my heartiest congratulations on having obtained your PhD. Degree in plant cytology. As a concentrated effort is being made by our Government to improve seeds and their development, I have no doubt that you will easily find a good position suitable to your qualifications and experience.

Please keep me informed about your plans. Do you intent settling down in a farm, or pursue your researches in a laboratory? With good wishes.

Sincerely yours,

**Tanish Kumar**
