## BRAINSTORMING

(A1)(i) Upbringing plays a very important role in shaping one's life.

The teacher will form two groups in the class. One group will speak in favour of the above topic while the other will speak against it. Debate brings out different perspectives, it does not mean one is right and other is wrong. You can take help of the following points and have a debate on it:

In favour of the topic	Against the topic
1. Provides a healthy atmosphere	1. Achievers can be successful in any atmosphere
2. Makes you confident	2. They are self confident, reliant and dependent
3. Helps in finding the role model	3. They become role models for others
4. Helps to follow the footsteps of successful people	4. They set an example for others

**Ans.** The students can elaborate their points in favour and against the topic on the following lines.

In favour of the topic	Against the topic
1. It breeds healthy thinking and imagination	1. Examples of those who have risen from humble backgrounds such as Dr. Babasaheb Ambedkar or Cristiano Ronaldo
2. Offers better exposure	2. Confidence in an intrinsic quality
3. Easier to find one's strength if upbringing is good	3. They lead by example

4.A good upbringing brings one closer to the rich and the famous, so it's easier to find motivation in them and be like them.	4.After all, someone has to take lead, so they become an example for others when they shine through their adversities.

(Students are expected to take cue from the pointers given in the question along with the ones given in the answer to attempt the above activity.)

**(ii)Read the text again and describe the second innings of the writer in your own words.**

**Ans.**After working for software companies for many years, the writer wanted to return to his first love, i.e. reading and writing on various subjects concerning human life and existence. Therefore, he gave up two lucrative offers to become a writer. This is how his second innings as a writer in Marathi began. After this, he wrote about 34 books in Marathi. Most of them became bestsellers with tens of thousands of copies sold for each. These books brought about very good changes in the lives of thousands of readers. Hundreds came out of depression and more than a dozen gave up thoughts of committing suicide and decided to start all afresh. Thousands more have been helped in the fields of science, economics, music, mathematics, etc. by the writer's books. It is these reactions of thousands of readers and the feeling that he is touching their hearts that has kept him going.
