

ENTREPRENEURSHIP

(CODE NO. 066)

CLASS -XII (2021-22)

Term-Wise Curriculum

Rationale

School curriculum is a dynamic process. It continuously evolves itself reflecting the needs and aspirations of learners. In recent times, our society is influenced by knowledge creation and technological advancements. Competencies affecting Innovation and creativity have become important in all walks of life, including business context. This makes entrepreneurship education even more important for enhancing quality of life.

Entrepreneurship plays an influential role in the economic growth and development of the country. As the world economy is changing so is the dynamism of the business world. The aim of this course is to instill and kindle the spirit of Entrepreneurship amongst students. The idea of this course is to create “job providers rather than job seekers”.

Objectives:

- To develop Entrepreneurial mindset among Higher Secondary School children.
- To encourage school children to opt for self-employment as a viable option for earning dignified means of living.
- To enable students to appreciate the dynamic changes happening in the economy.
- To acquaint the students about the role of Entrepreneurship in the growth and economic development of the nation.
- To promote Entrepreneurship as life-skills to improve quality of life, skills of creation and management of entrepreneurial pursuits.

ENTREPRENEURSHIP (Code no. 066)
CLASS XII (2021-22)

Unit 6: Resource Mobilization 20 Periods	
Competencies: Risk taking, Communication, Persuasion, Networking, Ethical behavior	
Contents	Learning Outcomes
<ul style="list-style-type: none"> • Capital Market- Primary • Angel Investor: Features • Venture Capital: Features, funding. 	<p>After going through this unit, the student/ learner would be able to:</p> <ul style="list-style-type: none"> • Understand the need of finance in Business • Discuss the various sources of funds required for a firm • Understand the ways of raising funds in primary market • Appreciate the Angel Investors and Venture Capitalists as a source of business finance.

PROJECT WORK

Students have to do only **ONE project** in the entire academic session.

They have the option to choose any **ONE project either Market Survey or Business plan.**

1. The objectives of the project work:

Objectives of project work are to enable learners to:

- probe deeper into personal enquiry, initiate action and reflect on knowledge and skills, views etc. acquired during the course of class XI-XII.
- analyse and evaluate real world scenarios using theoretical constructs and arguments
- demonstrate the application of critical and creative thinking skills and abilities to produce an independent and extended piece of work
- follow up aspects in which learners have interest
- develop the communication skills to argue logically

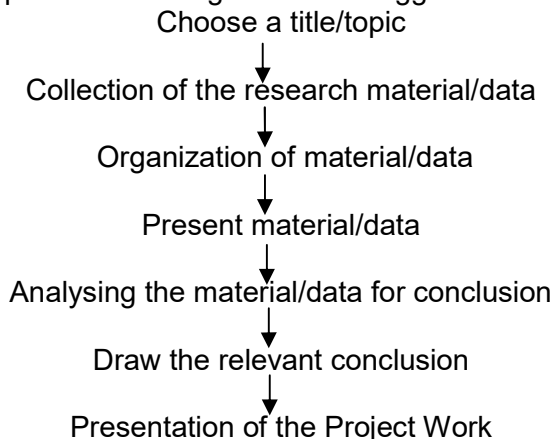

2. Role of the teacher:

The teacher plays a critical role in developing thinking skills of the learners. A teacher should:

- help each learner select the topic after detailed discussions and deliberations of the topic;
- play the role of a facilitator to support and monitor the project work of the learner through periodic discussions;
- guide the research work in terms of sources for the relevant data;
- ensure that students must understand the relevance and usage of primary evidence and other sources in their projects and duly acknowledge the same;
- ensure that the students are able to derive a conclusion from the content; cite the limitations faced during the research and give appropriate references used in doing the research work.
- educate learner about plagiarism and the importance of quoting the source of the information to ensure authenticity of research work.
- prepare the learner for the presentation of the project work.
- arrange a presentation of the project file.

3. Steps involved in the conduct of the project:

Students may work upon the following lines as a suggested flow chart:

- The project work can be in the form of Power Point Presentation/Exhibition/Skit /albums/files/song and dance or culture show /story telling/debate/panel discussion, paper presentation and so on. Any of these activities which are suitable to visually impaired/differently-abled candidates can be performed as per the choice of the student.

4. Expected Checklist for the Project Work:

- Introduction of topic/title
- Identifying the product/service
- Various stakeholders and effect on each of them
- Use of different tools for market assessment and it's analysis
- Implication of 4P's in the process of marketing
- Calculation of various costs involved in the business planning process
- Validity, reliability, appropriateness and relevance of data used for research work and for presentation in the project file
- Presentation and writing that is succinct and coherent in project file
- Citation of the materials referred to, in the file in footnotes, resources section, bibliography etc.

5. Term-Wise Assessment of Project Work:

- Project Work has broadly the following phases: Synopsis/ Initiation, Data Collection, Data Analysis and Interpretation, Conclusion.
- The aspects of the project work to be covered by students to be assessed during the two terms.

30 marks assigned for Project Work is divided in to 2 terms in the following manner:

TERM-I PROJECT WORK (Part 1): 15 Marks

The teacher will assess the progress of the project work in the term I in the following manner:

Month	Periodic Work	Assessment Rubrics	Marks
1-3 July-September	Instructions about Project Guidelines, Background reading Discussions on Theme and Selection of the Final Topic, Initiation/ Synopsis	Introduction, Statement of Purpose/Need and Objective of the Study, Hypothesis/Research Question, Review of Literature, Presentation of Evidence, Key Words, Methodology, Questionnaire, Data Collection.	10
4-5 October-November	Planning and organisation: forming an action plan, feasibility or baseline study, Updating/modifying the action plan, Data Collection	Significance and relevance of the topic; challenges encountered while conducting the research.	5
October-November	Mid-term Assessment by internal examiner		15

TERM- II - PROJECT WORK (Part 2): 15 Marks

The teacher will assess the progress of the project work in the term II in the following manner:

Month	Periodic Work	Assessment Rubrics	Marks
6-7 December -January	Content/data analysis and interpretation. Conclusion, Limitations, Suggestions, Bibliography, Annexures and Overall Presentation of the project.	Content analysis and its relevance in the current scenario. Conclusion, Limitations, Bibliography, Annexures and Overall Presentation.	5
8 January/ February	Final Assessment and VIVA by both Internal and External Examiners	Numerical assessment of BEP/EOQ External/ Internal Viva based on the project	5 5
		TOTAL	15

6. Viva-Voce

- At the end of the stipulated term, each learner will present the research work in the Project File to the External and Internal examiner.
- The questions should be asked from the Research Work/ Project File of the learner.
- The Internal Examiner should ensure that the study submitted by the learner is his/her own original work.
- In case of any doubt, authenticity should be checked and verified.

Guidelines to do the project is given in the textbook
