

## Lesson-7

Let's sing—

Time

T6M2Q8

In the dawn, I listen to the bird's chirp  
It says, "Wake up, wake up!"  
The sun rises in the east  
Then I brush my teeth

Mother gives us breakfast  
My brother always finishes last  
Now I should read books  
And then get ready to go to school

When I come home  
I wash my face and hands  
In the afternoon  
I go to play with my friends.

Let's talk—

## Majani's day

Look at the pictures and say—

What does Majani do during day time ?

What does Majani do at night ?

Teacher's instruction : Teacher will discuss with the students about different activities done in the day.
