

## Chapter -2

### WORLD POPULATION

#### I. Questions to be answered in one sentence

(1 mark )

1. Who was the founder of population geography? (K)
2. What is natural growth of population? (U)
3. What is net growth of population? (U)
4. What is population geography? (U)
5. State the total population of the world in 2012. (K)
6. What is the most populous continent in the world? (K)
7. What is the second most populous Continent in the World? (K)
8. Which is the least populous continent in the World? (K)
9. What do you mean by population explosion? (U)
10. Mention the annual growth rate of population in 2012. (K)
11. What is birth rate? (u)
12. What is death rate? (u)
13. Name the country which has highest birth rate in the world. (K)
14. Which country is having lowest birth rate in the world? (K)
15. Which country is having highest death rate in the world? (K)
16. What is human migration? (u)
17. Define migrant. (A)
18. Define internal migration. (U)
19. What is international migration? (U)
20. Which continent has highest growth rate of population? (K)
21. In Asia, Which country is having more population? (K)
22. What is the density of population? (U)
23. What is Sex ratio? (U)
24. What is the average sex ratio of the World? (K)
25. Which country is having the lowest sex ratio in the World? (K)
26. Which country has the highest Sex ratio in the World? (K)
27. What is occupational structure? (U)
28. What do you mean by Population change? (U)
29. In which year the World Population was 1 billion? (K)
30. What is the year in which world Population reached 6 billion? (K)
31. Which is the most densely populated country in the World in 2011? (K)
32. Which country has highest population in the World? (K)
33. What is Demographic Cycle? (K)
34. Name two countries which are having high density of population (K)
35. What do you mean by age structure? (K)
36. Which is an important indicator of population composition? (K)
37. What is dependency ratio? (U)
38. What is Literacy rate? (U)
39. Name the country which achieved 100% Literacy in 2011.
40. What is the average Urban Population in the World? (K)
41. What do you mean by Life Expectancy? (U)

42. Write average life expectancy of the world population. (K)
43. Which Continent has shorter life expectancy ? (K)
44. Who did introduce the concept of human development first time? (K)
45. What is the full form of HDI? (K)
46. Write the 3 components of HDI.(U)
47. What is the basic goal of human development ? (K)
48. Give the fullform of U N D P (K)
49. What is population ageing ? (K)
50. What is demographic dividend? (U)
51. Define Demography (U)
52. Which continent of the World is considered as Continent of aged? (K)

## **II. Questions to be answered in 2-3 sentences.**

**(2 Marks)**

1. What is the difference between natural and net growth of population? (U)
2. Write the components of population growth (U)
3. Name any four countries which are having low growth rate of population (U)
4. What are the causes for rapid increase of population? (A)
5. Name any four countries which are having high growth rate of population (U)
6. What are the causes for migration? (U)
7. What are the 3 age groups? (U)
8. Mention important types of Occupational Structure (U)
9. Name the continents in which more people are engaged in primary activities (K)
10. Mention the types of migration (U)
11. Name the factors influencing on the distribution of population (U)
12. Name the areas of high density of population in the World (K)
13. Mention the areas of low density of population in the World.(K)
14. Mention the measures for the population control. (A)
15. Define productivity and empowerment. (K)
16. What are the challenges of ageing population ?

## **III. Questions to be answered in 25-30 sentences**

**(5 Marks)**

1. Explain the growth of population in the world. (U)
2. Explain the factors influencing on the distribution of population (A)
3. Discuss the distribution of population in the world (U)
4. Write a note on sex ratio and age structure of the world. (U)
5. Explain the stages of demographic cycle. (U)
6. Write a note on urban-rural population and life expectancy of the World (U)
7. What is human development? Discuss the measuring of human development. (A)
8. Explain the effects of overpopulation. (U)
9. Explain the concept of Human Development Index.(U)
