

## The Wolf and the Lamb

---

It was a hot summer day. A felt thirsty. He went to a stream to quench his thirst. A lamb was also drinking water at the down stream. When the wolf saw the lamb, his mouth watered. The wolf wanted to eat it up. He wanted to make excuse for it. He said, "why are you making water muddy? Don't you see I am drinking it. "the lamb replied", the water is flowing from you to me. How can I make it muddy?" the wolf was speechless.

After a few minutes, the wolf said. "why did you abuse me last year"? "the lamb replied sir, "I was not born last year". "then it must be your father or mother." I will not forgive you". "saying this, the wolf sprang upon the lamb. He tore him to pieces and ate him up.
