

Letter from a Tenant, Requesting time to Pay Rent with Reply, Landlord and Tenant Letters

Dear Sir,

I have been your tenant some years now in this house and have never failed to pay rent when due. I am sorry to say, however, that in consequence of a variety of difficulties it is impossible for me to find the amount of the rent.

I would appreciate it very much if you would allow the matter to stand over for two weeks, when I hope to be able to find the full amount owing, or at any rate to send something on account with the balance soon after.

Yours faithfully,

S.M. Shukla,
