Dear Uncle,

Thank you so much for your so beautiful birthday present. Aunt and you were kind enough not to forget me on my birthday. I am overjoyed to receive your blessings and the gift, the set of pens. It is a prettiest present I have ever received. It will always inspire me to achieve better grades in my examinations. I am writing this letter with one of those pens and feel so delighted. You may see yourself how smoothly it writes. It almost glides on the paper like a boat on the water.

Uncle, my achievements in the coming examinations would prove how richly I deserve this kind of gift from you. I feel sorry that you and aunt could not come personally to grace the occasion owing to your business preoccupations. I know how busy and important you are. I hope you along with aunty will pay us a visit as soon as possible.

Once again- thanks for the splendid birthday gift and the trouble you took in selecting a right thing for me.

Yours lovingly,

Juhi
