

WBJEE 2021 Syllabus for Chemistry

WBJEE Topics in Chemistry
Atomic Structure
The Periodic Table and Chemical Families
Radioactivity and Nuclear Chemistry
Coordination Compounds
Chemical Bonding and Molecular Structure
Solid State
Liquid State
Gaseous State
Chemical Energetics and Chemical Dynamics
Physical Chemistry of Solutions
Ionic and Redox Equilibria
Hydrogen
Chemistry of Non-Metallic Elements and their Compounds
Chemistry of Metals
Chemistry in Industry
Polymers
Surface Chemistry
Chemistry of Carbon Compounds
Environmental Chemistry
Compounds
Alcohols
Aromatic Compounds
Application Oriented chemistry
Principles of Qualitative Analysis
