

Congratulation Upon an Honour

My Dear Arpit,

Please accept my very sincere congratulations upon receiving of the award of an M.B.E. in the New Year Honours, which I saw in this morning's paper. I known that your work, in itself, in far more important to you than any recognition you may gain by it. However, it is good to know that you efforts have not gone unrecorded and that merit has had its reward. My wife joins with me in sending our warmest congratulations on this well-merited honour, and very best wishes for the future.

Convey my sincere regards to your parents.

Yours very sincerely,

Sanjeev Guru
