

1. Migratory Birds Arrive at Zoo

New Delhi : As the first indicators of winter, migratory birds \_\_\_\_\_ at the zoological park, to make it their winter home.

- (i) Will arrive      (ii) Arrived      (iii) Have arrived      (iv) Would have arrived

2. Birds migrate inspite heavy loss \_\_\_\_\_

of life on way. They escape the bitter \_\_\_\_\_  
cold and restricted food supply. In the winter \_\_\_\_\_  
water birds, the food supply disappears \_\_\_\_\_  
altogether. When the water freezes fish other \_\_\_\_\_  
seafood are difficult obtain. The main \_\_\_\_\_  
reason the spring movement is the availability \_\_\_\_\_  
of nesting sites.
