

## Interjections Exercises

An interjection is a word that expresses some kind of emotion. It can be used as filler. Interjections do not have a grammatical function in the sentence and are not related to the other parts of the sentence. If an interjection is omitted, the sentence still makes sense. It can stand alone.

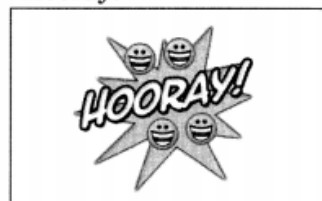

Wow!

Hey!

Hooray!

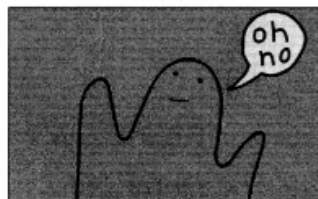

Wait!

Yippee!

Oh no!

Ouch!

### Interjections

- An interjection is a word or words used to express strong and sudden feelings— surprise, fear, suspense anger, love, joy and other emotions.
- Words such as wow, ouch, hurrah, oh, and hooray are interjections.
- Words such as help, beware, and stop (usually verbs) may be used as interjections.
