Red soils cover the eastern part of the _____ region comprising _____ plateau, Orissa, eastern Madhya Pradesh, Telangana, the _____ and Tamil Nadu plateau. They extended _____ in the west along the _____ coast of _____.

Q.3. Passage based questions:

Directions: Read the passage and answer the questions given below:

1. Study the following table and answer the following questions:

Percentage of Area in Land Use in Selected Countries					
Countries	Crop Land	Pasture	Forest	Other users	Total
Russia	8	5	44	43	100
Canada	5	4	39	52	100
Australia	6	56	14	24	100
Brazil	9	20	66	5	100
China	10	34	14	42	100
USA	21	26	32	21	100
India	57	4	22	17	100
Japan	12	2	67	19	100
France	35	21	27	17	100
UK	29	46	10	15	100
World	11	26	31	32	100

(a) Name the country that has the highest forest land.

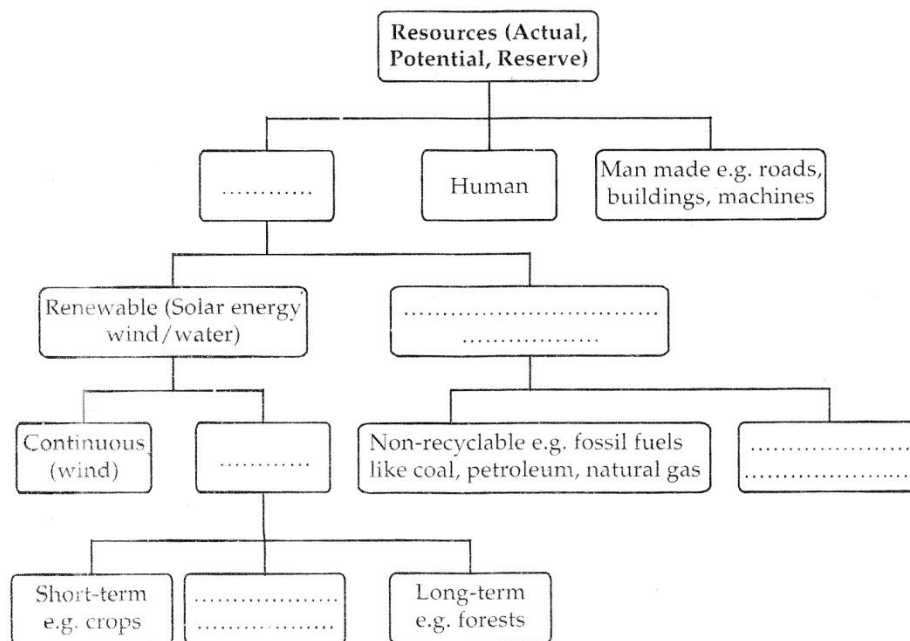

Ans.
.....
.....

(b) What is India's land use pattern?

Ans.
.....
.....

Q.4. Activity based questions:

1. Resources

Q.5. Map based questions:

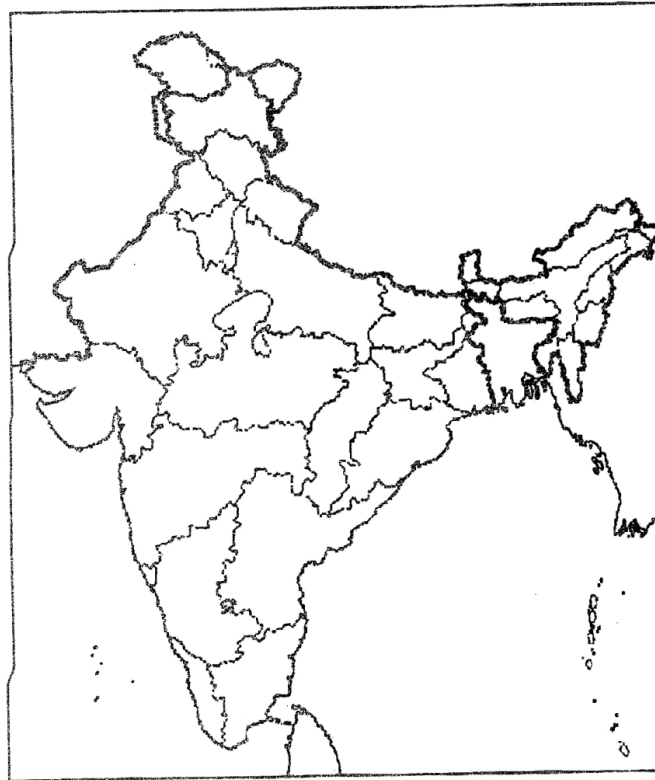

1. Show on the map of world

(a) Warm Current

(b) Cold Current

2. Show on the map of India:
- (a) Major water sources of India

3. Show on the map of world the areas of cultivation of the following crops:
- | | |
|------------|---------------|
| (a) Maize | (b) Tea |
| (c) Coffee | (d) Groundnut |
| (e) Millet | (f) Cocoa |
| (g) Rice | (h) Wheat |
