

On Birthday Congratulation

Dear Sumit,

Happy birthday,

Once in a year this eventful day comes in the life of every one of us and it is on this day that we should review our achievements, failures and failings of the past and look ahead with confidence. The coming year, I am sure, will add to your prosperity and success.

Your life, I know, has been continuous struggle so far. But now you are at the threshold of reward and compensation. How long can the world ignore you? Cheer up, boy, talents are bound to be recognized very soon.

With best wishes.

Yours sincerely,

Yogesh
