An Autobiography of a Mango Tree

I am a big mango tree standing on the backyard of Mr. Raghu. Once I was just a small seed. Mr. Raghu bought me from a market and sowed in his backyard. He watered me regularly and tended me carefully. Soon I turned into a big tree with strong branches and densely green leaves. Now I bear sweet juicy fruits on me. Children, young, old and even many birds all love to eat my fruits. In summer people take rest under my shades. Children love to play hide and seek on my branches. I am a home for many birds and other creatures. We all live happily together.
