SECTION - A

- Read the following passage and answer the questions given below it :

A chain is as strong as its weakest link. Each one of us is a link in the chain that is, our country. If we are weak and poor citizens, our country will suffer, even though we may try to comfort ourselves with the false idea that it does not make any difference what one person does in such a large country, where so many people live. But if one candle goes out, then in that one place there is darkness instead of light. It is when all the candles burn lightly, the whole house will be full of light.

- Write the name of the lesson from which the above passage has been taken. Who is the writer of this lesson ? 2
- What will happen, if we are weak and poor citizens ? 2
