16. Every individual expects a lot from democracy. Democracy is expected to solve all the socio-economic, political and economic problems of the country. Democracy is expected to give equality of status to every citizen. It is expected that there would not be any type of discrimination on ground of gender, race, religion or region. The reality is that everything is

---

---

---

expected out of democracy. Any imperfection in any such area is termed as undemocratic. It should be realized that democracy is a form of government that creates conditions which will ensure quality of citizens before the law of the country. But the citizens have to know their rights and freedom and they should try to enforce them. A democratic set up does not ensure all the right policies. Individuals have to take advantage of the good conditions created by democracy and make good policies. Thus it is not right that any information in any area is thrown on democracy.

**17.** Following are the measures to deepen democracy in a country.
