11. Read the given case and answer the questions that follow :

Challenges faced by the Jute industry include stiff competition in the international market from synthetic substitutes and from other competitors like Bangladesh, Brazil, Philippines, Egypt and Thailand. However, the internal demand has been on the increase due to the Government policy of mandatory use of jute packaging. To stimulate demand, the products need to be diversified. In 2005, National Jute Policy was formulated with the objective of increasing productivity, improving quality, ensuring good prices to the jute farmers and enhancing the yield per hectare. The main markets are U.S.A., Canada, Russia, United Arab Republic, U.K. and Australia. The growing global concern for environment friendly, biodegradable materials, has once again opened the opportunity for jute products.

**सत्याग्रह पर महात्मा गांधी के विचार**

‘कहा जाता है कि “निष्क्रिय प्रतिरोध” दुर्बलों का हथियार है । लेकिन इस लेख में जिस शक्ति की बात की गई है उसे केवल ताकतवर ही इस्तेमाल कर सकते हैं । यह निष्क्रिय प्रतिरोध की शक्ति नहीं है; इसके लिए तो सघन सक्रियता चाहिए । दक्षिण अफ्रीका का आंदोलन निष्क्रिय नहीं बल्कि सक्रिय आंदोलन था ... ।’

‘सत्याग्रह शारीरिक बल नहीं है । सत्याग्रही अपने शत्रु को कष्ट नहीं पहुँचाता; वह अपने शत्रु का विनाश नहीं चाहता । ... सत्याग्रह के प्रयोग में दुर्भावना के लिए कोई स्थान नहीं होता ।’

‘सत्याग्रह तो शुद्ध आत्मबल है । सत्य ही आत्मा का आधार होता है । इसीलिए इस बल को सत्याग्रह का नाम दिया गया है । आत्मा ज्ञान से हमेशा लैस होती है । इसमें प्यार की लौ जलती है ...। अहिंसा सर्वोच्च धर्म है ... ।’

‘इसमें कोई संदेह नहीं कि भारत विनाशकारी शस्त्रों के मामले में ब्रिटेन या यूरोप का मुकाबला नहीं कर सकता । अंग्रेज़ युद्ध के देवता की उपासना करते हैं । वे सब हथियारों से लैस हो सकते हैं, होते जा रहे हैं । भारत में करोड़ों लोग कभी हथियार लेकर नहीं चल सकते । उन्होंने अहिंसा के धर्म को आत्मसात् कर लिया है ...।’

'Satyagraha is not physical force. A satyagrahi does not inflict pain on the adversary; he does not seek his destruction ... In the use of satyagraha, there is no ill-will whatever.'

'Satyagraha is pure soul-force. Truth is the very substance of the soul. That is why this force is called satyagraha. The soul is informed with knowledge. In it burns the flame of love ... Non-violence is the supreme dharma ...'

'It is certain that India cannot rival Britain or Europe in force of arms. The British worship the war-god and they can all of them become, as they are becoming, bearers of arms. The hundreds of millions in India can never carry arms. They have made the religion of non-violence their own ...'

**( PAPER CODE – 32/4/3 )**

**General Instructions :-**

1. You are aware that evaluation is the most important process in the actual and correct assessment of the candidates. A small mistake in evaluation may lead to serious problems which may affect the future of the candidates, education system and teaching profession. Sharing this policy/document to anyone, publishing in any magazine and printing in News Paper/Website etc may invite action under IPC.”**
3. Evaluation is to be done as per instructions provided in the Marking Scheme. It should not be done according to one’s own interpretation or any other consideration. Marking Scheme should be strictly adhered to and religiously followed. **However, while evaluating, answers which are based on latest information or knowledge and/or are innovative, they may be assessed for their correctness otherwise and marks be awarded to them. In class-X, while evaluating two competency based questions, please try to understand given answer and even if reply is not from marking scheme but correct competency is enumerated by the candidate, marks should be awarded.**
4. The Head-Examiner must go through the first five answer books evaluated by each evaluator on the first day, to ensure that evaluation has been carried out as per the instructions given in the Marking Scheme. The remaining answer books meant for evaluation shall be given only after ensuring that there is no significant variation in the marking of individual evaluators.

11. Every examiner has to necessarily do evaluation work for full working hours i.e. 8 hours every day and evaluate 30 answer books per day in main subjects and 35 answer books per day in other subjects (Details are given in Spot Guidelines). This is in view of the reduced syllabus and number of questions in question paper.

12. Ensure that you do not make the following common types of errors committed by the Examiner in the past :-
- Leaving answer or part thereof unassessed in an answer book.
  - Giving more marks for an answer than assigned to it.

  - Half or a part of answer marked correct and the rest as wrong, but no marks awarded.
13. While evaluating the answer books if the answer is found to be totally incorrect, it should be marked as cross (X) and awarded zero (0) Marks.
14. Any unassessed portion, non-carrying over of marks to the title page, or totalling error detected by the candidate shall damage the prestige of all the personnel engaged in the evaluation work as also of the Board. Hence, in order to uphold the prestige of all concerned, it is again reiterated that the instructions be followed meticulously and judiciously.
15. The Examiners should acquaint themselves with the guidelines given in the Guidelines for spot Evaluation before starting the actual evaluation.
16. Every Examiner shall also ensure that all the answers are evaluated, marks carried over to the title page, correctly totalled and written in figures and words.

The Board permits candidates to obtain photocopy of the Answer Book on request in an RTI application and also separately as a part of the re-evaluation process on payment of the processing charges.
