

# Sentences Exercises

---

## What is a Sentence?

In grammar, a sentence is the basic grammatical unit. It contains a group of words and expresses a complete thought.

Example:

- Ravi – is my friend
- Subject – Predicate

In this example, the predicate (is my friend) gives information about the subject (Ravi). The word my friend is said to be the object of the verb is.

Here is another example:

- My parents – read the newspaper daily.
- Subject – predicate

In this sentence, the words the newspaper is the object of the verb word.

## Kind of Sentences

When we want to express our thoughts we use a group of words. A group of words that makes complete sense is called a Sentence. A sentence begins with a capital letter.

There are four main kinds of sentences.

Declarative or Assertive sentences state or declare something. Declarative (“Declarative sentences are also called statements”) sentences end with a full stop.

are also called India won the last test match against England.

statements. Virat Kohli was declared the Man of the Match.

Interrogative sentences ask questions.

They end with a question mark.

Who won the test match series?

Who was the Man of the series?

Imperative sentences express a command, make a request or a suggestion (“Some imperative sentences end with a question mark”)

Switch off the television. (Command)

May I go outside and play? (Request)

Let us play chess instead. (Suggestion)

Exclamatory sentences express some strong or sudden feeling or emotion.

They end with strong emotions.

They end with an exclamation mark.

What a good player Kohli is!

That was such an exciting final!
