

If I Were an Apple

UNIT 6

Learn, recite and enjoy this poem

If I were an apple
And grew on a tree,
I think I'd drop down
On a nice boy like me.
I wouldn't stay there
Giving nobody joy,
I'd fall down at once
And say, "Eat me, my boy!"

Our Tree

Listen and read

A little bird sees
Ripe fruit on our tree
And eats a tasty berry.
The bird flies tall
And a berry seed falls.

The rains have come
Hurry! let's run.
Clouds, rain and sun...
Our plant is born, a little one.

Now a tree,
With branches long,
Crows and bird-song,
Crawling ants and spiders' webs,
Caterpillars with tiny legs,
Rich green leaves, life aplenty.

The tree has fruit,
Some big, some small,
Let us pluck them
But do not fall!

Crows perch, squirrels run,
And see the monkeys
Having fun!

Strong branches,
With pretty swings,
Our beautiful tree
Has so many things.

Murali's Mango Tree

Listen, read and enjoy this story

One day Murali ate a mango.
He threw the seed behind his house.
Many months later, he saw a plant.
He watered the plant every day.
The plant grew into a big mango tree.
Every summer, many mangoes grow on it.
Now, Murali's children eat the mangoes.

Read the sentences and tick (✓) the right picture.

Murali ate a (banana  /mango ) one day.

He threw the (seed  /mango ) behind his house.

Many months later, he saw a (seed  /plant ).

He watered the (seed  /plant ) every day.

Many (apples  /mangoes ) grew on the tree.

Draw a tree showing leaves, branches, fruit, birds, nest and a swing.

Let's talk 

- Describe the picture using all the words given above.
- Should trees be cut?
- Name some trees which you have seen.

This unit is a good opportunity for involving children in interesting activities about their environment. Encourage children to look and listen attentively and express their thoughts freely.

- Talk to them about trees around and how important they are.
- Share with them topics like “Why do you think trees are important for us?”

Give them clues like, “They give us shade, flowers, fruits etc.”

► **Group Activity**

Let the children make a class tree with their handprints. Let them stick leaves and twigs on it. Write this verse and stick it under a tree.

What do I plant?

When I plant a tree

I plant a circle of shade around me;

A circle of shade

Where people come

To rest under the sun.

MATERIAL REQUIRED

A sheet of paper, some twigs, some leaves and an old cardboard sheet

► **Develop pronunciation**

Words like **tree**, **bee**, **flea** can be introduced.

► **Exposure to language**

This time let the *sight words* be the names of children which can be pasted on the tree that the children have made.

Names of all the children such as

Ritu

Kabir

Mohan

Lofang

► **Develop speaking skills**

Give children a week or two to learn a rhyme, one in their language and one in English. Let them recite these. Always appreciate their efforts. Do not push children who are not ready for it. As facilitators we must let children speak at their own pace.

► **Develop writing skills**

Write the letters from **r** to **z** on the blackboard. Let the children read from the board and the picture dictionary. Encourage these early writing attempts and ensure a feeling of success for all children. Use Activity Sheets and a notebook to further encourage the patterns as on pages 65, 66, 69, 70, 71, 72 and 74.

► **Use the method of developing fine motor coordination**

Tell the class how to sort out three mixed pulses into different piles or sort leaves on the basis of their colour, shape and texture.

► **Awareness raising**

Have a discussion on the hazards of throwing things into the river and why we must stop this from happening.
