

## **Congratulations on an Engagement**

Dear Vinod,

Your brother told me the great news about your engagement to Anita. It is the best news of the year percolating so far from the secret family files. I can't tell you , my dear how pleased your uncle and I am by the news, we have been very close to Anita's family for years, as your know and we have always thought of him as an unusually fine and dependable young man.

I congratulate you on your good fortune and wish you both the best of everything in life.

As ever,

Rahul Sharma
