- It is to ensure every child has access to minimum standards of food.
- This helps in healthy growth in all children.
- There are different rights for children below the age of 6'and between the age of 6-14 years.
- This is because both the age groups have different needs for their

**Question 4.**

Have you ever used your right to participate? Describe.

**Answer:**

Children have the right to participate in matters related to them. This includes asking questions, giving suggestions and making decisions in things that affect them.

**Question 5.**

Why are rights important?

**Answer:**

1. Human rights also guarantee people the means necessary to satisfy their basic needs such as food, housing and education, so they can take full advantage of all opportunities.
2. Finally, by guaranteeing life, liberty, equality and security. Human rights protects people against abuse by those who are more powerful.
