

Value of Letters

Letters are invaluable means of keeping our friendship with those who are away. Without the interchange of letters our absent friends and relations would be practically dead to us. We might learn from books the surroundings in which they dwell or hear from travelers about the prosperity or failure, but it is through letters that we can converse with them as often as we want and obtain a clear picture of what they are doing or thinking and of everything in the distant lands in which they live.

Title: – Value of Letters.

Precis: – Letters help us keep our friendship. They are the means by which we converse with our friends dwelling in far off lands and thus get in touch with them.
