

CHAPTER

57. Exemption from Minimum Qualifications

The Board has laid down minimum qualifications in respect of Heads and teachers for teaching subject/classes. Generally no exemption from minimum qualifications is considered by the Board. However, in case there is a shortage of teachers in a particular subject or qualified teachers are not available in a remote area, the Board may consider requests for exemption from minimum qualifications under special circumstances for some years.

The Board will consider such requests only in case of private unaided schools run by Government, or autonomous bodies like Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS), Sainik Schools Society etc. may take decision in this regard at their own end.
