1. Read the passage given below :

- (1) Milkha Singh, also known as The Flying Sikh, was an Indian track and field sprinter who was introduced to the sport while serving in the Indian Army. He is the only athlete to win gold in 400 metres at the Asian Games as well as the Commonwealth Games. He also won gold medals in the 1958 and 1962 Asian Games. He represented India in the 1956 Summer Olympics in Melbourne, the 1960 Summer Olympics in Rome and the 1964 Summer Olympics in Tokyo. He was awarded the Padma Shri, India's fourth-highest civilian honour, in recognition of his sporting achievements.
- (2) The race for which Singh is best remembered is his fourth-place finish in the 400 metres final at the 1960 Olympic Games. He led the race till the 200 m mark before easing off, allowing others to pass him. Singh's fourth-place time of 45.73 seconds was the Indian national record for almost 40 years.
- * (3) From beginnings that saw him orphaned and displaced during the partition of India, Singh became a sporting icon in the country. In 2008, journalist Rohit Brijnath described Singh as "the finest athlete India has ever produced".
- (4) He was disappointed with his debut performance at the 1956 Melbourne Olympics. "I returned to India, chastened by my poor performance in Melbourne. I had been so excited by the prospects of being part of the Indian Olympics team, but, hadn't realized how strong and professional the competition would be. My success in India had filled me with a false sense of pride and it was only when I was on the track that I saw how inconsequential my talents were when pitted against superbly fit and seasoned athletes. It was then that I understood what competition actually meant, and that if I wanted to succeed on the international arena, I must be prepared to test my mettle against the best athletes in the world."

- (5) Then he decided to make sprinting the sole focus of his life.

“Running had thus become my God, my religion and my beloved”.

“My life during those two years was governed by strict rules and regulations and a self-imposed penance. Every morning I would rise at the crack of dawn, get into my sports kit and dash off to the track, where I would run two or three miles cross-country in the company of my coach.”

- (6) On how he pushed himself through the tough days of vigorous training. “I practiced so strenuously that often I was drained of all energy, and there were times when I would increase my speed to such an extent that after my rounds, I would vomit blood or drop down unconscious through sheer exercise. My doctors and coaches warned me, asked me to slow down to maintain my health and equilibrium but my determination was too strong to give up. My only focus was to become the best athlete in the world. But then images of a packed stadium filled with cheering spectators, wildly applauding me as I crossed the finishing line, would flash across my mind and I would start again, encouraged by visions of victory.”

Based on your reading answer any **five** questions from the six given below :

1 × 5 = 5

2. Read the following excerpt from a Case Study. J.K. Rowling – A Journey

The story of Joanne Kathleen Rowling's near magical rise to fame is almost as well known as the characters she creates.

Rowling was constantly writing and telling stories to her younger sister Dianne. "The first story I ever wrote down was about a rabbit called Rabbit." Rowling said in an interview. "He got the measles and was visited by his friends including a giant bee called Miss Bee. And ever since Rabbit and Miss Bee, I have always wanted to be a writer, though I rarely told anyone so.

However, my parents, both of whom come from impoverished backgrounds and neither of whom had been to college, took the view that my overactive imagination was an amusing personal quirk that would never pay a mortgage or secure a pension.

* A writer from the age of six, with two unpublished novels in the drawer, she was stuck on a train when Harry walked into her mind fully formed. She spent the next five years constructing the plots of seven books, one for every year of his secondary school life.

Rowling says she started writing the first book, Harry Potter and the Sorcerer's Stone, in Portugal, where she was teaching English.

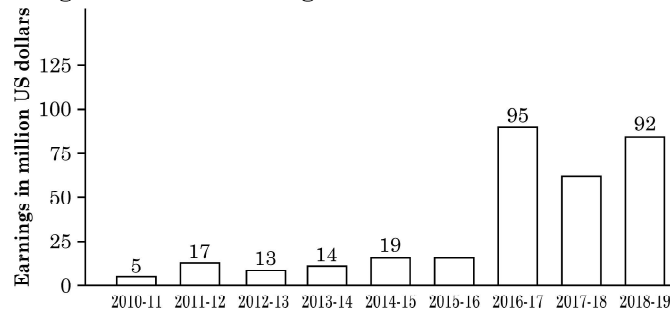

At first nobody wanted to publish Harry Potter. She was told that plot was too complex. Refusing to compromise, she found a publisher.

In 1997 Rowling received her first royalty cheque. By book three, she had sky rocketed to the top of the publishing world. A row of zeroes appeared on the author's bank balance and her life was turned upside down. Day and night she had journalists knocking on the unanswered door of her flat.

Rowling's quality control has become legendary, as her obsession with accuracy. She's thrilled with Stephen Fry's taped version of the books and outraged that an Italian dust jacket showed Harry minus his glasses. "Don't they understand that the glasses are the clue to his vulnerability."

Annual earnings of J.K. Rowling from 2010 to 2019.

On the basis of your understanding of the passage answer any **five** of the six questions given below.

1 × 5 = 5

- Explain J.K. Rowling's 'near magical rise to fame'.
- What reason did the publishers give for rejecting Rowling's book ?

To avoid mistakes, it is requested that before starting evaluation, you must read and understand the spot evaluation guidelines carefully.
2.
 - a. **The marking scheme carries only suggested value points for the answers**
 - b. **These are only guidelines and do not constitute the complete answer.**
 - c. **The students can have their own expression and if the expression is correct, the marks be awarded accordingly.**
 - d. **The candidate would be permitted to obtain a photocopy of the Answer Book on request in an RTI application and also separately as a part of the re-evaluation process on payment of the processing charges. All Evaluators/Additional Head Examiners/Head Examiners are once again reminded that they must ensure that evaluation is carried out as per value points for each answer as given in the Marking Scheme.**
3. **“Evaluation process is confidential. Sharing any part of the document/ information related to this, publishing it in any magazine and printing in News Paper/Website/Social Media. etc may invite action under IPC.”**
4. Evaluation is to be done as per instructions provided in the Marking Scheme. It should not be done according to one’s own interpretation or any other consideration. Marking Scheme should be strictly adhered to and religiously followed. **However, while evaluating, answers which are based on latest information or knowledge or any innovative idea related to the question concerned, they may be assessed for their correctness and marks be awarded to them. In class-X, while evaluating competency based questions, if the given answer is not from marking scheme but correct, marks should be awarded with the consultation of the Head Examiner (HE).**
5. The Head-Examiner must go through the **first five answer books** evaluated by each evaluator on the first day, to ensure that evaluation has been carried out as per the instructions given in the Marking Scheme. The remaining answer books meant for evaluation shall be given only after ensuring that there is no significant variation in the marking of individual evaluator.
6. **All the Head Examiners/Additional Head Examiners/Evaluators are instructed to mark (✓) wherever answer is correct. For wrong answer ‘X’ (Cross) be marked. Evaluator will not put right (✓) kind of mark casually / out of habit / unintentionally while evaluating which gives an impression that answer is correct and no marks are awarded or vice versa. This is the most common error which evaluators are committing.**
7. If a question has parts, please award marks on the right-hand side for each part. Marks awarded for different parts of the question should then be totaled up and written in the **left-hand margin** and encircle it. **This may be followed strictly.**
8. If a question does not have any parts, marks must be awarded in the left-hand margin and encircled. This must be followed strictly.
9. If a student has attempted an extra question, answer of the question deserving more marks should be retained and the other answer should be scored out.
10. No marks to be deducted for the cumulative effect of an error. It should be penalized only once.
11. A full scale of marks for example 0-40 marks as given in Question Paper has to be used. Please do not hesitate to award full marks if **the answer deserves it.**
12. Every examiner has to necessarily do evaluation as per CBSE directions every day and evaluate 30 answer books per day in main subjects and 35 answer books per day in other subjects (Details are given in Spot Guidelines). This is in view of the reduced syllabus and number of questions in question paper.
13. Ensure that you do not make the following common types of errors committed by the Examiner in the past:-

 - Half or a part of answer marked correct and the rest as wrong, but no marks awarded.
14. While evaluating the answer books if the answer is found to be totally incorrect, it should be marked as cross (X) and award zero (0) Marks and encircle it.
15. Any unassessed portion, non-carrying over of marks to the title page, or totaling error detected by the candidate shall damage the prestige of all the personnel engaged in the evaluation work as also of the Board. Hence, in order to uphold the prestige of all concerned, it is again reiterated that the instructions be followed meticulously and judiciously.
