

## How free is the press

---

(a) What do you mean by the term 'free press'?

**Ans.** We usually mean by the term free press in a very technical and restricted sense-namely, freedom from direction or censorship by the government.

(b) Who is the master – the state or the people? Or, What is the central doctrine of democracy?

**Ans.** it is the central doctrine of democracy that state is not the master but the servant of the people.
