Sir,

Sub Providing bus stops nearby the colony.

Through the esteemed columns of your prestigious newspapers, I would like to draw the attention of the Government towards the problem of the lack of a bus stop in the area near Mayur Vihar Aparna Apartments.

These apartments are spread up to a radius of at least 4 km, and are situated on the main road of Mayur Vihar. One can notice that buses running on the main road for all places in Delhi/New Delhi at every five minutes.

But it is rather strange to note that the Government has not provided enough bus stops to cover all the apartments and colonies, on the road. The residents have to walk more than 2 km to catch a local bus. Hiring of a rickshaw or a three-wheeler is very costly for a common man. The chilly or the hot rough weather other puts the passengers in a great problem. This also wastes time, energy and stamina of the residents.

For lady passengers it is not advisable to walk long distances from the safety point of view. No financial burden will be passed on to the government by making more bus stops keeping in view the necessity and the convenience of the residents. Being a fully residential area, it is necessary to provide bus stops at all the stops at all the appropriate points in this area.

I hope the authorities would definitely consider our difficulty and provide enough bus stops for the convenience of the passengers. It will provide relief to all of us as moving long distances of about 2 km in winter and hot sun is very troublesome and tiresome.

Yours truly

Mayank Bhojpuri
