Subject: **Discussion on formation of Rental Agreement.**

Respected Sir,

With reference to our conversation in relation to the above-mentioned subject; I consent with a positive response and reasonable deal to contract with. Having scrutinized the content of the rental agreement and confirmed the clauses; it seems to have been a standard legal paper without a single doubt to crop up. It is your generous nature to permit us -let out your guest house at an affordable and comparatively less than the market situations and also the economic crisis.

Further without pressurizing you to amend-any clauses; it's a sincere request you to grant an extension of monthly date for rental payments as far as possible by mid of every month.

Lastly, assuring with best of my knowledge and efforts to trouble you at the least times or mostly we will not indulge in any troublesome activities which will either strain you or let your image down. A waiting for you': final confirmation and agreement to ink down at the earliest.

Thanking You

Yours Sincerely

**Mr. Akshay Gavde**
